Bungee Run

Two contestants put on harnesses with a giant bungee cord attached. As they run down the 35-foot long, inflatable run way, tensioning the cord, the participants try to place Velcro markers at the furthest possible point!

Ages 8 and up 14'x35'x10'H

Your kids will know the game. Only now it's larger than life! There are many variations on game play from classic to a point based system. Players attempt to throw their pong ball in the opposing teams' buckets. Be the first to close all 10 buckets and win the game.

Ages 7 and up 2-8 players

U.F.O ENCOUNTER

As you enter the UFO armed with a laser gun, your vision is obstructed by the fog that fills the air. You hide between the walls and use them as cover while trying to ambush your opponents. However there is a twist! The aliens do not want this UFO to fall into the earthling's hands, so they have set the warp core to explode. Your mission is to exit the ship before the warp core breach!!!

BOULDER DASH

Two opponents face off head-to-head, zigzagging across raised foam platforms all while dodging swinging foam boulders hurled from onlookers! The first person to make it to the other side without falling wins. It's a dash to the finish in this game that combines speed and strategy.

Ages 8 & up 15'x50'x16'H

Criss Cross Collision Course

The C4 Criss Cross Collision course is filled with obstacles and varied terrain. For an added splash you can add four water traps creating an interesting challenge! As the players transition from the dry track to the water trap they hydroplane over the water and lose traction and just maybe lose the race!

Ages 7 & up 18'x75'x7'H

Adrenaline Rush II

The race starts as two participants run, duck, climb, crawl and tumble their way through over 80' of obstacles with a slide to the finish. This course is available in many different configurations. It can be made small to accommodate children or large for your most demanding events.

Ages 5 & up Size varies

The Heart Pumper

The name says it all! This 65' Obstacle Course will certainly get your heart pumping! Two opponents race through the course by running, jumping and squeezing their way through the obstacles. They then complete the course by climbing to the top of a 13' rock wall and sliding down to the finish!

Ages 5 & up 65'x11'x13'H

SUMO Wrestling

You've seen those huge sumo wrestlers on television; well now you can be one without gaining all that weight. Simply step into a foam padded Sumo Suit, seeing yourself three times your actual size, put on the helmet and mitts, walk out onto the mat and you're there!
