PartyTime Rentals Announces Availability of Inflatable Dome Tents

Wappingers Falls — March 29, 2011 — Today, PartyTime Rentals announced a new line of custom inflatable dome tents for rental. Believed to be the first company in the Hudson valley to design and offer inflatable dome tents, PartyTime Rentals will offer both rental and custom branding solutions in sizes from 25' to 40' round domes. “We can custom brand the top of the dome with any company’s logo or color scheme. We expect dome tents to be in high demand for social gatherings, interactive gaming domes and registration tents at events” said Darren Morizet, President & CEO of PartyTime Rentals located in Wappingers Falls, NY

About Inflatable Dome Tents

These inflatable structures offer a unique alternative from traditional pole or frame tents. They are available in various bright colors to draw attention or in white and black for formal events. Dome tents can be lighted inside and out and installed in as little as 30 minutes. These tents can be installed on grass or pavement and can be installed inside larger venues.

PartyTime Rentals’ custom design is unique because the weighting system is placed inside the structure which eliminates the need for externally placed weights or stakes when installing on pavement. This creates a cleaner look with no tripping hazards external to the tent.

PartyTime Rentals is full service rental and event management company serving the Hudson Valley of New York and Connecticut. They are a market leader offering the largest selection of inflatable games in the Hudson Valley with over one hundred different styles to choose from. PartyTime Rentals has everything you need to make your next event a success including: tents, portable power, concession equipment, flooring, china, flatware, glassware, tables, chairs, linens, carnival games and much more. You can also visit the PartyTime Store located at 939 Route 376 Wappinger Falls, NY for your party supply needs.
